

# CtK Cares

CtK Cares is a charitable organization created by the staff and students at Christ the King Catholic Secondary School. It will raise funds to assist with identified needs within the CtK student body and our home community of Halton Hills.

Staff and students are called to live the gospel values we teach everyday at Christ the King Catholic Secondary School:

**Respect for life and the dignity of each individual**

**Trust in God**

**Honesty**

**Compassion**

**Mercy**

**Community**

**Servant Leadership**

**Equality**

**Simplicity**

**Justice and Peace**

CtK Cares is one of the many ways we incorporate some the values of our catholicity in our school life. We recognize that our students, may, at times, have needs that are difficult to meet. CtK Cares has dedicated 50% of all funds raised to assist our students in need. We will serve the community by donating 50% of all CtK Cares fundraising efforts to local service projects that our students & staff wish to participate in.

Funding for CtK Cares is created through the efforts of our students in partnership with our staff and the community of Halton Hills. We raise money through our Civvies Days and special events like our annual Summer Blast. 10% of all internal fundraising is also dedicated to CtK Cares.

We welcome and invite local business and private donations to join us in building the CtK Cares fund.

We believe as individuals we can make a difference,  
as a community united in its aims,  
we can make a big difference.

Please join us in building the CtK Cares fund.

*Hear the word of the Lord...Learn to do Good...Seek Justice*
